Building plots in a quiet location and very nice views

We would like to introduce you to building land with a total of 4,055 m2 and offer it for sale.

This building land is divided into several building plots. The size of individual plots is between 337 - 685 m2. Each plot will have an access road. Distance to the sea is between 200 - 300 m, depending on where the plot is located. It is possible to purchase one or more plots, as well as the entire building plot. According to the development plan, you can build single or semi-detached houses on the property with a ground floor, 2 floors and an attic.

Very nice, quiet location with a beautiful view of the Peljesac peninsula and the sea.

The bay where the property is located is protected and offers protection to boats and yachts that seek refuge in this bay.

Distance to the town of Korcula is 1.5 km.

Korcula Island is one of the 5 most beautiful islands in the world.
