House with several apartments

Here we ask for a house with a total of six apartments. It is possible to keep them all and rent them out. It is also possible to purchase part of the house. The house has two large garages for several cars. In addition, there are also parking spaces. Gas central heating throughout the house. A swimming pool with a size of 26 m². Climate in every apartment.
The house has:

1. Four apartments, each with two bedrooms.
2. Two apartments with one bedroom.
3. A studio with everything in one room (bedroom, living room, dining room, plus bathroom).
4. There are also two garages for two cars each.

There is the possibility of adding two more garages.

The current asking price is €1.4 million.
This is a fixed price.
