The building consists of an underground garage and apartments spread over three floors - ground floor, first floor and second floor. Each of the apartments has one or two garage parking spaces and storage, and additional outdoor parking spaces.

The apartments are 150-275 m2 in size. Each apartment has four bedrooms, three bathrooms, laundry, spacious living room with kitchen and dining area, and at least two covered terraces with private pool.

The ground floor apartment also has a private garden where you can enjoy summer and winter days.
