The villa has 280 m2 of net living space. There are also 120 m2 of terraces and pool area.

Approximately 300 m2 of the property is planted with olive trees and Mediterranean vegetation.

The villa is very modern. Clear lines, large glass surfaces. When you open the sliding elements on the ground floor, you connect the inner and outer areas. Beautiful, unobstructed sea views.

There are living rooms on the ground floor; open space kitchen with dining area and living room, storage room, cloakroom, utility room and guest toilet. In front of the living rooms there is an inviting 36 m2 terrace which is partially covered.
