Building land for two or three houses

BUILDING PLOT IN A PEACEFUL SURROUNDING AREA – ON THE ISLAND OF KRK

The building plot is located in a small and peaceful settlement, located in the interior of the island of Krk, in the area of

the Town of Krk. The settlement is surrounded by greenery, forests, olive groves and vineyards and offers ideal conditions for a peaceful life and vacation in an authentic Mediterranean environment.

The location is especially interesting for those who want to enjoy privacy and nature, while at the same time having all the necessary amenities and beautiful beaches of the island of Krk relatively close by. It is approximately 3 km from the sea and the nearest beaches.

The surroundings are ideal for lovers of nature and active vacations - numerous bike paths. At the same time, the location retains the character of a traditional island town, providing peace and a relaxed atmosphere away from the summer crowds.

INVESTMENT POTENTIAL

A special value of this property is the possibility of building two residential houses, which makes the land very interesting for various purposes:

- construction of two family houses,
- construction of a house for own residence and a separate building for tourist rental,
- investment in two properties for tourist rental.

Thanks to its peaceful location, natural surroundings and proximity to the sea, the land represents an interesting opportunity for investors, as well as for buyers looking for a property on the island of Krk for their own vacation and future investment.

The location is an excellent choice for anyone who wants to combine peace, privacy and an authentic Mediterranean atmosphere with the advantages of living on one of the most attractive Croatian islands.
