Building land in quiet surroundings with look at the sea

Here we offer them building land with building permit and paid expenses. After the building permit the building of a single-family house is approved. The floor space amounts cca 100 m2. Electricity and telephone go up to the property. Water connection is removed cca 50 ms. The property is in quiet surroundings and offers a beautiful look at the sea. Two old chestnuts-, and cherry trees give this piece of land still a special note. Up to the centre of Lovran these are cca 3 kms.
